

New Racer Certification

Motorcycle Requirements:

- Tires:
 - Tires should be less than five years old and have at least 3/32" tread depth.
- Condition:
 - Nothing hanging off, general cleanliness, thick brake pads, good chain and sprocket, good fork seals, and NO LEAKS.
- Coolant:
 - There is no need to replace your glycol coolant for an ART class, but if your bike has ANY overheating issues, please get them fixed before attending.
- Tape
 - Tape mirrors, lenses, and lights. It is recommended to remove the mirrors and disconnect the headlight, but not required.

Safety Requirements

- Helmet:
 - ECE, Snell, or FIM-approved full-face motorcycle helmet
- Gloves:
 - Gauntlet-style gloves that overlap your leathers
- Boots:
 - Boots that extend above the ankle and overlap your leathers
- Suit:
 - One-piece or two-piece leather suit with at least a 270-degree zipper + Back protector
- Other:
 - Airbag highly encouraged
